

Hybridbox Plc. information

Hybridbox Plc. informs its shareholders that the 100% owned subsidiary of Hybridbox Plc., HomeSys Media Ltd. signed a Letter of Intent on future cooperation with Jersey Telecom Limited (at No. 1 The Forum, Grenville Street, St Helier, Jersey, JE4 8PB). Purpose of cooperation is to test hybrid television technology and the Hybridbox set-top-box over Jersey Telecom's telecommunication network. Test will be finished by 31 August, 2011. Before the end of test period partners will decide about the joint market launch and the service features.

Jersey Telecom Limited has about 100 000 subscribers and is going to introduce hybrid tv service at the end of this year.
